

Employee Secure Plan

Summary of Plan Description

Employee Secure Plan provides life, accident, and permanent disability benefits to employees engaged in non-hazardous businesses. This plan assures that there is something for the employee's family to live by should he/she no longer be capable to provide income to the household.

This plan is ideal for Micro, Small and Medium Enterprises engaged in office-based jobs like finance, legal, computer services, pharmaceutical products, and sales rental and leasing. Moreover, it can cover a minimum of three (3) up to a hundred and sixty (160) employees.

Qualification of Employees

Permanent or probationary employees ages 18-64 years old who are working in non-hazardous industries can be insured under this plan.

Benefits of the Special Group Plan to your Employees

- **Life Insurance**
Bring peace of mind to your employees and provide financial support to their families in case of demise, regardless of time, place or cause.
- **Total and Permanent Disability (TPD)**
In the event that your employee becomes completely unable to engage in any business or occupation or perform any work, InLife shall pay out the TPD benefit in lieu of the life insurance benefit. This can supplement the living expenses of the family as they look for options to replace the income contribution of the employee.
